# STAGES SP4 PEDAL

Designed in Collaboration with LOOK Cycle, the patented SP4 set is the new standard for premium indoor cycling pedals. With revolutionary features such as the one-click, tool-free quick-release platform and easy-adjust strap system, SP4 is the ultimate upgrade to complete the upscale cycling experience.

LOOK DELTA PEDAL +  
CLEAT

SPD PEDAL + CLEAT

TOE CAGE

+ Compatible with shoe and clip types:

+ Road style shoes with LOOK Delta cleats

+ MTB style shoes with Shimano SPD cleats

+ Platform-Cage for regular athletic shoes

+ Removeable athletic shoe platform easily inserts into the LOOK Delta side and includes a new strap retention system that makes adjustments and release quick and easy

+ The platform requires no tools for removal and is removed easily with a spring-loaded hand lever

+ SP4 pedal can be installed onto any indoor cycling bike that utilizes a 9/16" - 20 threaded spindle

+ SP4 pedal utilizes a redesigned spindle for extra longevity

+ Larger platform body & cage allows for larger shoe sizing over traditional toe cage indoor pedals

+ Weight: 424g grams for pedal set, 450 grams for platform set

+ Warranty period: One year
